Abstract:

This paper deals with two account papyri from Deir el-Medina represent account text and work journal. They contain journal entries, and receiving grain rations, beer, bread, dates and other victuals, firewood and plaster in addition to the arrears of things and products of the Necropolis. The papyri are now preserved in Turin, Museo Egizio. The inventory number of these two papyri is P. Turin Cat. 2024 + P. Turin Cat. 2052 + P. Turin Cat.2077, and P. Turin Cat 1961+ 2006. According to the paleography, the layout, and personal names, these papyri date attributed to the Ramesside period.
