

12- **Address of the searching: " The generous " choice and the deviating in the structure in the Quran so the searching raved treats "the generous choice and the deviating in the structure in the Quran".** The structure means in the one aalSrfyt the one in what befalls her from precedents or dwaaxl or brown appendages of formation one, and the ruler includes the structure the proficient names and the acts; Then all one from them for him his relative to weights him, and his builders and his organizations in her movements which her meaning be specified, and was complete you from her weight that humbleness in mold from decided molds the builders in the language, that builders which determined her the bruises his greens: "wanted blessing the constructive word and her weight and her forms: Her organization which be possible to participates her in her changed her, weak her number of letters the rank, and her designating movements and her calm, with additional considering the letters and original all in his place ". One of the linguists clarified the causing builder and your raved hill the organization so said: "the organization which puts on her the linguistic substance, and this organization through number of character be specified the word, and arrangement of this letters, and securing her, and her authenticity, and her increase, and her evidence, or deleting some her, and this sides count the the five elements which is formed from her the mold pure".

For what the development was year from Al-Hayat sharpened and accompaniment of convoy raved the development in other than separation about the old entrusted duties in the researcher promise from to discovered aallthaam about the old contributions for her ties in modern, therefore the method took from the ways who promises from the important methods Haditha for the studious language method for the studious evidence Arabic, so literary texts from aspect chose, and

eloquent on the other hand, and holy from aspect third, and the text who be available in him this conditions he “the generous Quran” just as that he be distinguished that he fixed Mahfuz other than the reply and the modification met for; Where wise Allah - his glory - disablement organized him, in what the recipient on abundance makes his knowledge in arts of alpine, wide his experience in beatings of the behavior in his ways - his invalid about pursuer and his accompaniment, his favor about passage and his the antecedence to purpose. The deviating from form to form, and brown choice without last color from the behavior in the forms, and art from arts the exit about phenomena the situations, this masts from the behavior, and the expressing

Needs 'ilyY the stop in front of her, and her contemplation and her observation for the detection about roses some forms without some, and choice of some builders and the deviating to her tightens you some last builders in high contexts from generous contexts of the Quran, and your lowness through the interview after offered about:

1- The choice: Where Arafa in him and his evidence of truth, and his interpretation on basis the twofold manner the generations is stubborn tshwmsky, and accordingly on dualism dwswsyr, then manners of the choice; Then the grammatical choice and the self-seeking choice spoke about, or the choice the ways and other than the ways. The conscious choice and the choice conscious. Finally the evident difference the choice and the deviating.

2- The deviating: Where Arafa in him, and his memory of kinds, and his appearances, and criterion of the deviating, and generous way of the deviating and the choice in the Quran, where evident that what the generous Quran from the choice arrived in or the deviating regular in

relationships his in the context, and his place became in generous than the use typical normative, and consistency in context from the current use on Al-Qaeda increases his.

3- Choice the brown verb: Where memory examples of effective appeared in her characteristic of the choice and the deviating from forms the interaction, and the fabricating, waaltfe'e'ul.

4- Choice the brown name: Then memory examples of nominal appeared in her characteristic of the choice and the deviating from forms participle, and structure exported, and structure of the peace among builders of the sources in stand specialized especially elongated some thing; For that she mentioned in images different between aaltnkyr and the definition, and in yen of the raising and the shares, then choice gathering of the shortage spoke about; Where some miracles in the use about gathering of the abundance modified, and gathering of the shortage chose.

Then choice gathering of the abundance spoke about; Where some miracles about gathering modified the shortage, and chose instead of him the abundance accumulated.

Last called us that praise be to God god of the scientists.
