

5- " The load on the pronunciation studios in the form effective "

Phenomenon "the load" linguistic sides numerous have fun; So from load on shines us, and load on the place or the place, and load on the counterpart, and load on the opposite, and load on the abundance, and load on the shortage, and load on the neighborhood, and load on the imagination, and load on the origin, and load on the branch, and load on the comparable with, and load on the pronunciation in sides two they : Original side the status for the word from where the making feminine and the reminding, and the gathering and the duplication and the separation ... 'ilx . Syntactic side the movement apparent or the ability on the word, and the many linguists old and causing this phenomena took; To that I 'ar from taking side of the load on the pronunciation from the aspect aalSrfyt, or from aspect load of effective form on effective form last, or on nominal form compare her; Therefore performed the searching raved where taking from this phenomenon " effective load the form on effective form last " or on " nominal form compare her "; The searching took this phenomenon in several points or axes of she:

- Form carried (verb) on form (verb) . - Form carried (verb) on form (does) . – Carried mDaare' (does) other than aalmbdw' in hamza on aalmbdw' in her . – Carried mDaare' (the example aalwaawy) other than aalmbdw' byaa' on aalmbdw' byaa' . – The last verb carried on mDaare'h . – Load the last quadruple quintet on the past . – Load last other than triple on the past triple .
- Carried aalmdaare' on the triple past . – Load exported on the verb .
- Load (does) the preference on (the astonishment does) .

1- Load of form performs effective on form effective last until the form gives the carried what for the form the carried on her from arbitrator in the drainage; So her behavior behaves .

2- Just as performs until her path inserts attribution to consciences of the raising prevented her connected moving .

3- Just as performs to 'ie'laalhaa without mqtDII therefore aal'ie'laal .

4- Just as change performs to formed her to causing of the agreement and the rhythmic agreement in phrases of the language 5- cleared up from studious this phenomenon that deep effects have fun and whatever in the linguistic lesson where game role head in interpretation of the outside questions about the steady bases, and resorted to her the scientists to following of this questions in the phenomena the origins .

6- Just as cleared up also that the evidence is phonetic first ranks aaldlaalat, then evidence of the form, and after them after them the moral evidence, and to the origin in the wounds is identical shines us to pronounced; Consequently stubborn Al-Qaeda the sculptor was that the load on the pronunciation is eloquent and horses .

7- Likewise the thing gives from for walrus or assembly of arbitrator what similar his in his meaning or in for his walrus or in them; For comparable with the evident pronunciations or the assemblies in shines us permissible, so phonetic presence of spouse takes their arbitrator the grammarian with necessity or moral observation of the pronunciation indicates on or the assembly last, and the clothing guarantees with them . So the use and completeness shines us and his clarity he the essential goal waal'asmY in the grammatical lesson.
