# **The Effect of Corrupt Analogy on Abnormal Jurisprudential Opinions: a Comparative Jurisprudential Fundamentalist Study**

## **Abstract**

It includes: six parts, an introduction, and a conclusion.

The introduction includes: the meaning of analogy, its authority, the pillars of analogy and the conditions of each pillar, the meaning of corruption and invalidity, the evils of measurement, the meaning of the anomaly, and the types of jurisprudential anomalies.

**Part one:** acts of worship, and it falls into five chapters.

**The first chapter:** purity, and it includes three topics.

**The first topic:** Ablution, and it has two demands. **The second topic:** Purity from the impure, and there is one demand. **The third topic:** menstruation, and it has two demands.

**Chapter Two:** Prayer, and it contains eleven demands.

**Chapter Three:** Zakat, and there is one demands.

**Chapter Four:** Fasting, and it includes three demands.

**Chapter Five:** Hajj, and it contains five demands.

**Part Two: Rulings on the Family, and it includes two chapters:**

**The first chapter: Marriage, and it includes three demands. Chapter Two: Breastfeeding, and there is one demand.**

**Chapter Three: Financial Transactions, and it contains five chapters.**

**Chapter One: Sales, and it contains one demand.**

**Chapter Two: Leasing and there is one demand.**

**The third chapter: usury, and there is one demand.**

**Chapter Four: The Obligations, and it contains four demands.**

**Chapter Five: The gift, and there is one demand.**

**Part Four: Limits and Felonies, and it contains five demands.**

**Part Five: Faith, and there is one demand.**

**Part Six: Certificates, and it contains one demand.**

**Summary of the thesis:** The thesis includes the anomalous saying that its author relied on in proving the validity of what he went to on the analogy that contradicted the proven evidence from the Qur'an, the Sunnah, and consensus, and one of the pillars of the correct analogy was missed and led to the corruption of the analogy, and then ruled on this statement with perversion.

**Conclusion and it includes:** the most important findings that I reached through this study, and scientific indexes (verses indexes - hadiths - terms - translations and classes - topics).
