

**GROUND WATER CONTAMINATION DUE TO SALTATER
UPCONING: STOCHASTIC APPROACH**

By

MOHAMED AHMED BAYOUMY DERAR
B.Sc. in Civil Engineering-Cairo University
M.SC. in Civil Engineering – Fayoum University

A Thesis Submitted to the
Faculty of Engineering at Fayoum University
in Partial Fulfillment of the
Requirements for the Degree of
PHYLOSOPHY DOCTOR

In

CIVIL ENGINEERING

FACULTY OF ENGINEERING
FAYOUM UNIVERSITY
FAYOUM-EGYPT
(2013)

**GROUND WATER CONTAMINATION DUE TO SALTATER
UPCONING: STOCHASTIC APPROACH**

BY

MOHAMED AHMED BAYOUMY DERAR
B.Sc. in Civil Engineering-Cairo University
M.SC. in Civil Engineering – Fayoum University

SUPERVISION

Prof. Dr. Khakid Ismail Hamza

Prof of Irrigation and Hydraulics , Fayoum University

Dr. Ahmed Mohamed Abde-Baky

Lecture of Irrigation and Hydraulics , Fayoum University

FACULTY OF ENGINEERING
