

1. Project title :Project title: MashRoوعY

• Team work :

1- Mohammed elwan sweed elwan

2- Ahmed Mohammed Hashem

3- Abdelrahman Mustapha Mohammed

2. Supervisor Dr : Dr : Abdallah shooeb

• Aim of the Project :

- Try to make the graduation projects applicable.
- Ease the communication between the companies & the projects of under graduates.
- Enable students to find teams to work with or find a training for a company
- Enable the team to find a sponsor for his project

• Abstract:

- There are some projects are implemented by students, some of which have economic and scientific value, but the team can't present the project to the major companies.
- On the other hand there are many companies needs to implement some ideas as a projects & don't find the team to implement these ideas.
