

Week 1	9-11	11-1	1-3	3-5
Saturday (Online) 29-7	Para Onchocerca vololus, loa loa	micro Staphylococcus infection		
Sunday (Online) 30-7	physiology Morphology of skeletal muscle	Bio ECM protines		
Monday (Online) 31-7	micro Clostridium perferingens, Bacillusanthracis	Patho Osteomilities		
Tuesday (Online) 1-8	Pharma Histamine,its antagonists,H1 blockers	Para Trichenella spiralis		
Wednesday (Online) 2-8	micro Mycobacterium.	PATHO Joint disease		
Thursday (Online) 3-8	PATHO Repair &vit D Deficiency	PATHO Osteodystrophy and TB		

Week 2	9-11	11-1	1-3	3-5
Saturday (Online) 5-8	para Practical Section 1,2	physiology Practical Section 1	micro Treponema palladium	Para Dracunculus medinensis Cutaneous Larva Migrans
Sunday (Online) 6-8	PATHO Bone tumors	Para Cutaneous Leshmaniasis:geographic distribution,biology,life cycle,pathogenesis		
Monday (Online) 7-8	Pharma Antagonist- antipyretics	Para Cutaneous leshmaniasis:clinical pictuer,diagnosis and treatment,prevention,PKDL		
Tuesday (Online) 8-8	physiology Excitation of contraction coupling	Bio Calcium ion		
Wednesday (Online) 9-8	Patho Chronic bacterial infection	Pharma Skeletal muscle relaxants		
Thursday (Online) 10-8	Bio Vit D	Bio Catabolism of purine		

Week 3	9-11	11-1	1-3	3-5
Saturday (Online) 12-8	Para Trichomonus vaginalis, other parasites affecting skin and subcutaneous tissue	para Practical Section 3,4	PATHO Chronic bacterial infection	
Sunday (Online) 12-8	micro Bone and joint infection: Arthritis, osteomyelitis, myositis	Para Lesions by arthropods, myiasis		
Monday (Online) 14-8	phsyio Factors affecting skeletal muscle contraction	Pharma Autacoids- Eicosanoids		
Tuesday (Online) 15-8	Para Lesions by :lice-ticks-tunga	phsyio Factors affecting skeletal muscle contraction		
Wednesday (Online) 16-8	Micro Causes of Surgical Wound infection	Para Mites, scabies		
Thursday (Online) 17-8	Pharma Gout	micro Viral causes of skin rash Herpes simplex virus, Varicella		

Week 4	9-11	11-1	1-3	3-5
Saturday (Online) 19-8	pathology Practical Section 1	physiology Practical Section 2	micro Viral causes of skin rash Human papilloma virus, Pox virus: molluscum contagiosum	Micro Viral causes of skin rash Measles, rubella, Small pox.
Sunday (Online) 20-8	Bio Catabolism of purine			
Monday (Online) 21-8	micro Viral causes of skin rash echoviruses, , Coxackie , Arthropod born viruses	micro Anthropod born viruses	Micro Practical Section 1	
Tuesday (Online) 22-8	micro Cutaneous dermatophytes, Subcautaneous mycosis	micro pityrias versicolor, candida		
Wednesday (Online) 23-8	micro Actinomycete bacterial-fungal		Micro Practical Section 2	pathology Practical Section 2
Thursday (Online) 24-8	micro Cases			

Week 5	9-11	11-1	1-3	3-5
Saturday (Online)	para Practical	Pharma Practical	pathology Practical	

26-8	Section 5,6	Section 1	Section 3	
Sunday (Online) 27-8			Micro Practical Section 3	
Monday (Online) 28-8	physiology Practical Section 3	Pharma Practical Section2		
Tuesday (Online) 29-8				
Wednesday (Online) 30-8	pathology Practical Section 4			
Thursday (Online) 31-8
