Proposal-Writing Workshop for post doctoral candidates

As part of the Science Year Follow Up Event a proposal writing workshop will take place on Tuesday 11.11.2008. This workshop is part of a series of Proposal-Writing Workshops offered by the DAAD Cairo office. The first workshop took place at the DAAD Cairo Office for PhD candidates in July 2008. The second workshop is designed for the special needs of post doctoral proposals in order to achieve even more academic grants. Two well-experienced trainers - Prof. Mohamed El-Fouly, Alexander von Humboldt-Alumnus from the National Research Center, and Dr. Rasha Sharaf, Director of the Strategic Planning Unit in the Ministry of Higher Education and DIES-Workshop trainer – will lead the workshop.
